WORKS UNDERTAKEN IN THE COLLEGE LIBRARY

Regular efforts are being made to up-grade the existing facility in the college library of Dayanand Vedic College Orai, to fulfill the requirements of students and staff members of the college. Following steps have been taken for the improvement of library:

1) Library Computerization:

The Recording of the Bibliographical database (**Machine Readable Catalogue**) of about 63,390 books has been accomplished with the help of SOUL software and the remaining work is under process.

2) Research Section:

The Library Committee has recently decided to ensure the availability of the latest journals and periodicals for the use of Research Students & Faculty Members.

3) Current Awareness of Service: The lists of the new books & journals have been circulated to the concerned Departments as and when available in the library.

4) Special facilities & Services:

The Following Special services & Facilities have been introduced in the library:-

- Personal help for the physically handicapped users.
- Allocation of specific days and time for the girls & boys separately.

5) Bulletin Board Service:

Regular information regarding various activities of library is displayed at the Bulletin Board of library.

6) Readers Helps :

Proper guidelines / indicators / glow shine boards etc. are displayed in every area of the library. Proper arrangement is made to provide the prompt service for the benefit of readers.

7) Library Network:

Internal Networking has been done through most modern **CAT-6** cable and for this purpose 1 Server And 4 (Four) clients are connected to the main server using powerful DSL Wi-Fi Ethernet Hub and RJ 45 connectors.

8) Library Collection:

Library is presently having a collection of about 63,390 books. The collection is arranged according to the Dewey Decimal Classification Scheme. Extensive subject analysis as well as keyword is also provided at the time of processing of books.

9) OPAC:

Off-Line Public Access Catalogue OPAC (**Machine Readable Catalogue**) facilities are also provided by using SOUL software.
